January 2012

Teleios begins again! Join us on Sunday evening, January 8 to hear about the new opportunities to learn and grow at Eastside.

The event begins at 6 pm in the fellowship hall.

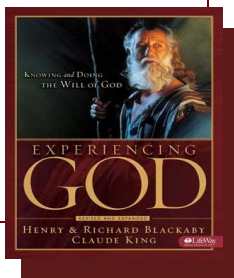

Experiencing God

Bob Halstead

Ever felt like you were just faking it? You go to church, pray, even read your Bible... but you seem to be missing something?

Experience God! Join us for this interactive Bible study.

You haven't experienced life until you experience God!

Rooted: Growing in God's Love

Nick Carrillo

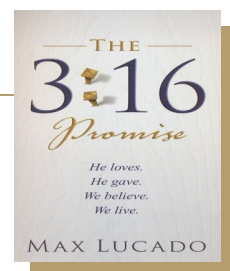

Give your seeds a chance. From seed to tree, it's a miracle of God's creation. But that tree never takes root if it doesn't have everything it needs. The same goes for faith. This study will help our children learn to be grounded in God's love--for life. It's a new kind of curriculum that lets people experience key Bible stories in a way they'll never forget.

The 3:16 Promise

Mike Martin

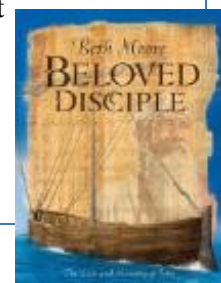

The 3:16 Promise - This study of 3:16 will bring personal renewal for the believer and a fresh exploration of the Christian faith for the seeker. Discover the life that lies within this Hope diamond of the Bible— John 3:16 A twenty - six word parade of hope, Beginning with God and ending with Life.

Beloved Disciple

Lisa Phelps

A 10-week women's Bible study that explores the life of the apostle John who had the God-given gift of seeing a larger picture. John's love relationship with Jesus Christ profoundly influenced everything he did and wrote.

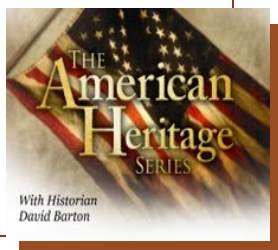

The American Heritage Series

Don Phelps

Featuring David Barton, *The American Heritage Series* presents America's forgotten history and heroes, emphasizing the moral, religious and constitutional foundation on which America was built. The stories will remind us of lessons and pieces learned in school, but expound to show the whole story as we have never heard before.

This fascinating and educational series inspires viewers and reconnects us with our incredible national history.

Student Ministry

Caleb Halstead

"The student ministry will once again be studying current, "too-hot-to-handle" issues that our youth face on a day to day basis at school, at home, at the workplace, and everywhere else. For 7th grade through college/career aged (7th and 8th graders required to attend)"
